CREATE A RUBBING OF THE CARD BELOW:

Place the credit card under this sheet of paper and resting under the above space. Use a pencil or crayon to rub the face of the credit card on the paper so that the raised letters will show on this paper. This tracing will verify the card was presented as an authorized means of obtaining payment of the debt. In the alternative, place a photocopy of the card in the space provided. We must have a legible rubbing or photocopy to process your order.

Be advised that for your protection, Seagull will only ship merchandise to the credit card billing address, until you authorize otherwise with this form. Seagull puts charges against your card when an obligation is incurred. Seagull is entitled to payment for freight and handling charges incurred, even if the buyer/cardholder may be unable to accept delivery or refuses delivery after the purchased goods have been sent.
